FEATURES OF THE PATRIOT STEEL SAFE ROOMS

- **Standard & Custom-Sized Options:** We can build any dimension needed at reasonable pricing.
- **Ventilation:** Provided through two 4" vents
- **Door:**
 - Wheelchair accessible 36" door manufactured from two sheets of steel
 - Outer skin is 3/16" and inner skin is 12-gauge with "Z" bracing and has three (3) deadbolt locks
- **Construction:** Constructed of A36 3/16" plate steel with 3/16" C channel bracing
- **Capacity:** Safe rooms have a higher capacity than underground shelters due to not having to allow room for steps.
- **Color:** primer painted either white or gray.
- **Warranty:** 10-year manufacturer warranty
- **Made in Oklahoma**
- **Custom options are available for the Patriot Steel Saferoom but may cost more or take more time to install.**
- **For options including custom height, outswing doors, etc., contact Survivor Shelters.**
